Worker's Mission.—A distinguished preachor than some up the history of z women who
had been called to her long home:

"His size, she drank, she elept, she dressed,
she danced, she dised."

The Islam size, she she will be the size of the
mass of women, but we think some important
chapters are left out. The mass of women are
been, so to a bearing school, get married, go to
church, being up of mailly, and die after that; and
our opinion is, that any one who cais well, and
drinks well, sheeps well, draness well, diese,
well, and dion well, has done more for the world
than many distinguished people succeed in dading. If, in addition to this, she is born well
two to achool well, marries well, goes to chruckwell, and brings up a family well, who has been
well and brings up a family well, she has been
public baselished or for no criticary kind.
A women who is well born—who has received
tron her perenta a healthy mental and physics
organization, and who conducts borself well in
